Prot. N. 17661

Riposto 30.09.10

TO JEFF HOPPER
10896 Montego Dr.
San Diego, CA 92124

Dear Mr. Hopper,

In my capacity of Mayor of the City of Riposto and on behalf of the citizens, I would like to express my deepest gratitude for having accepted to join the Municipal initiative which aimed to pay tribute to the city's consolidated and widespread tradition of growing plumeria on oruvate gardens and balconies.

Your intervention during the event which took place on August 8th, 2010 was highly appreciated by the participant and gratly attracted the attention on the work carried out by the Soythern California Plumeria Society which you represent.

On behalf of all citizens, I would like to tank you for the decision to award Riposto with honorary membership of the Society.

With the hope that this beginning may lead to a close and fruitful cooperation between the City of Riposto, already officially denominated "City of Plumeria", and the South California Plumeria Society I send you my kindest regards.

Please find attached a DVD with the official film of "Riposto City of Plumeria" and the video of part of the celebratory event wich took place on August 7th, 2010.

THE MAYOR
Dott. Carmelo Spitaleri
